OUR 2026 GOLDEN BOOT PREDICTION

■ #1 Pick: Kylian Mbappé (France)

Playing with Real Madrid hunger. France likely to go deep = more matches = more goals. Bet: 6–9 goals.

■ #2 Pick: Erling Haaland (Norway)

If Norway advance past group (not certain), Haaland is unstoppable. One of the highest xG/90 in the world.

■ #3 Pick: Vinicius Jr (Brazil)

Brazil almost always go deep. Vinicius in his prime. 9/10 from the left in 2025-26.

■ Value Pick: Darwin Núñez

Uruguay have a favourable draw. Núñez scores in bursts. 12/1 to win Golden Boot = value.
